

SITI NUR AZIZAH

081263576330 | sitinurazizahh18@gmail.com | Jauhari Wahid Street, Bandar Lampung, Lampung | <https://www.linkedin.com/in/azizeeey/>

As a second-year Informatics Engineering student at the University of Lampung, I am strongly driven to specialize in Cyber Security, Front-End Web Development, UI/UX Designer and Data Scientist. Constantly seeking new skills and experiences in various fields. I am dedicated to creating a life that positively impacts others known through discipline, responsibility, good communication, and a highly cooperative nature. I actively participate in organizations and seminars to improve my ability to solve problems effectively. To me, every job is important. Doing it conscientiously and to the best of my ability is my form of responsibility.
